In the midst of war preparations it is a gratifying fact that the demand for Bros., of Sarcoxic, Mo., off-ring a special lished. There being but one one for ice, American manufactured articles is grow-ing in many directions. Orders have increased this year for American ratiroad iron, engines, bridges, plows, cultivators, tonnks. The form of this premium will reapers, threshers, hullers, cotton-working machines, stamp mills and steam

SUPERSTITION OF SAILORS. Superstitious tars look askance at the torpedo boat Somers because of her ship at the yardarm of which Commander excellent progress already made. Mackenzie hanged Mikshipman Spencer, son of the then secretary of war, and two ward the Somers disappeared at sea after losing some men by the explosion of the gun that was fired at the time of the hanging. Mackenzie fell dead from the back of a horse and his first officer died santa Fe.

All the rule with regard to lite members the members of investment, it was unanimously decided to subscribe to that Jones & Son, Cowden, Ill., in speaking of Dr. King's New Discovery, says that last extent to the canning and evaporating establishment, about to be erected in Santa Fe. ers has been tabooed in the navy list up to its bestowni on the new torpedo-boat, which has begun its career with a variety of misfortunes.

OBGANIZING AN ARMY. The important question as to how long. it will take the government to enlist, equip and train its volunteers to the necessary discipline of army service is one that will engage the attention of the war of the physicians, but received no relief. She then used one and a half bottles of department for some weeks. The only safe standard of comparison is afforded by the nation's experience in the war of the physicians, but received no relief. She then used one and a half bottles of Chamberiain's Pain Baim, which effected a complete cure. This is published at the physicians, but received by the physicians but rec by the nation's experience in the war of the rebeliion, but the conditions since 2 then have changed notably and doubtless gists. the preparations can be quickened con-

ter the entire military force at the dis- 806 north Broadway.

posal of the president was 16,000 soldiers senttered through the west as a check to Indian outbreaks. The process by which this tiny nucleus of an army was re-enforced and augmented until it included over 1,000,000 men is one of the most interesting events of military history. This time the president's call is for 125,000 75,000. Then the means for preparation and equipment were comparatively poor and inadequate. The enormous task of organizing the federal army was entered upon at once. Throughout the country patriotic men set to work to collect companies and offer them to the nation. Considering the utter inadequacy of the arrangements at that time HUGHES & McCREIGHT, PUBLISHERS It is somewhat surprising to reflect that 77,875 men. The congressional call to colunteers, July 23, asked for 500,00 men, and on Dec. 1, 1861, 660,000 soldie were organized. They were provided b volunteer enlistment, and most of the

> soldler of the Wor. IT is about time that there is a letin the senseless suggestions of weakne or wavering on the part of the milit organizations. They are showing a cor mendable willingness to risk the vicis tudes and the perils of actual warfar and you may depend upon it they'll mak their mark when it comes to action. Th 'boys" in the last war did the bulk of th
